We are proud to announce that Weddington High School was again awarded a School Performance Grade of A and MET composite growth expectations! I encourage you to spend time studying this expansive report.

Please click [HERE](#) to access the results for our school and district on the NCDPI accountability website. UCPS continues to outperform the state and the 12 largest districts in multiple testing and accountability areas. For more details on the districts performance, please click [HERE](#).

We are extremely proud of our students, staff, and community for their hard work and of the culture of excellence that we have established here at the home of the Warriors. It is through teamwork, commitment, and hard work that Weddington High School has continued to achieve this high level of excellence! We will continue working hard to hold students to high expectations, supporting them along the way, and celebrating their successes when they achieve their goals. WHS STUDENT HANDBOOK

Parents, we need your help in reminding students of the importance of being aware of, and complying with, the dress code which can be found on page 13 and 14 of the [student handbook](#). Although we understand that style trends are ever changing and this is often reflected in the clothes that stores are selling, it is important that students understand that there is a different standard for what should be worn during school and what they wear outside of school. Thank you for your assistance in reinforcing this with your child.

REQUIRED BACK TO SCHOOL FORMS

As a reminder, we are continuing to utilize the convenience of online form completion that can be located on our school's website by clicking "About Us" followed by "Back to School Forms" or by clicking [HERE](#). We have extended the due date to turn in all required forms to Friday, September 20th.
