## FROM THE FRONT OFFICE

Hello Warrior Families!

Due to the increase in items being dropped off each day, we will be implementing a new drop off system after Spring Break. My goal is always to be able to serve our community as best and efficiently as possible, and I thank you for your cooperation and assistance in doing so!

**Starting Monday, April 8th, drop-off items can be placed on a drop-off cart, located outside the front doors.**

- drop-off cart will be brought into the foyer before the end of each block, and items will be placed on the table inside
- please notify your student once item has been dropped off - we will not call students down
- students can retrieve their items in between class periods - they will not be permitted to go outside
- lunches can be placed in the bin outside, and will be brought in before the end of each block and before the start of each lunch
- items such as Chromebooks, headphones and phones should not be left on the cart outside, and can be brought inside to the table

This new process in hopes to reduce the amount of traffic in and out of the building each day. Again, I thank you all for your help with implementing this new procedure!

Sincerely,  
Michele Loughlin

- Medical notes are always accepted, but as a courtesy, please do not wait until the end of the semester!

Attendance notes must

In the event your child is absent from school due to illness/injury, please provide written documentation to our Attendance Counselor, Mrs. TC Yost ([tammy.yost@ucps.k12.nc.us](mailto:tammy.yost@ucps.k12.nc.us)). Either a doctor's note or written parent note is required to excuse the absence. Remember, parent notes will only be accepted during the current 6-week grading period, of the absent day. For more information regarding attendance, please reference the UCPS policy found on the website

### Early Dismissal Procedure:

Due to the increased number of students leaving school early, it is important that you follow the early dismissal procedures to avoid classroom interruption. **On the occasions that you need your student to be dismissed early, a prior written note will be REQUIRED.** The note must be brought to the front office prior to the beginning of school and should include the following information: student's first and last name, date, time of dismissal and parent signature. Following this procedure will allow the student to leave class at the assigned time without interrupting instruction.

Please contact Mrs. Yost with any attendance questions or concerns.

### Tardies

Parents, we need your help. **We have seen a significant increase in the number of students being tardy to 1st period in particular.** Please speak with your child about the importance of getting to school on-time.

At Weddington High School, we believe that teachers have a right to teach and students have a right to learn. Instructional time must be protected and without interruption in order to assure that quality teaching and learning are taking place in every classroom, every day. Instruction should and will be conducted from the time students enter the classroom through the time the bell rings and they are released by their teacher. At the beginning of class when the bell rings, teachers are to mark students arriving late to class tardy in PowerSchool. This applies to ALL blocks and lunches. Students missing more than 15 minutes of class, will be marked absent for the block. Keep in mind, students who leave a class should have a pass to avoid being marked incorrectly. \* The WHS tardy policy can be found in the WHS student handbook which can be accessed by clicking [HERE](#).

*At the beginning of each semester, student tardies will reset\**

UCPS has enabled an automated message that will go out each day to the parents of students who were tardy for one or more classes that day.
