Absences and Teacher Made Final Exam Exemptions

Absences have an impact on whether or not a student can be exempt from a teacher made final exam. The follow excerpt outlines the requirements for teacher made final exam exemptions as is found on page 24 of the 2023-2024 UCPS High School Student Handbook which can be accessed by clicking [HERE](#).

High School students will not be required to take a teacher-made final exam in a course in the following situations:

- The student has an average of 90 or above the week prior to the administration of the exam **and has no more than 2 unexcused absences in the class**; or
- The student has an average of 80 or above the week prior to the administration of the exam **and has no more than 1 unexcused absence in the class**.

ATTENDANCE

In the event your child is absent from school due to illness/injury, please provide written documentation to our Attendance Counselor, Mrs. TC Yost (tammy.yost@ucps.k12.nc.us). Either a doctor's note or written parent note is required to excuse the absence. Remember, parent notes

will only be accepted during the current 6-week grading period, of the absent day. For more information regarding attendance, please reference the UCPS policy found on the website

Early Dismissal Procedure:

Due to the increased number of students leaving school early, it is important that you follow the early dismissal procedures to avoid classroom interruption. **On the occasions that you need your student to be dismissed early, a prior written note will be REQUIRED. The note must be brought to the front office prior to the beginning of school and should include the following information: student's first and last name, date, time of dismissal and parent signature. Following this procedure will allow the student to leave class at the assigned time without interrupting instruction.**

Please contact Mrs. Yost with any attendance questions or concerns.

Tardies

At Weddington High School, we believe that teachers have a right to teach and students have a right to learn. Instructional time must be protected and without interruption in order to assure that quality teaching and learning are taking place in every classroom, every day. Instruction should and will be conducted from the time students enter the classroom through the time the bell rings and they are released by their teacher. At the beginning of class when the bell rings, teachers are to mark students arriving late to class tardy in PowerSchool. This applies to ALL blocks and lunches. Students missing more than 15 minutes of class, will be marked absent for the block. Keep in mind, students who leave a class should have a pass to avoid being marked incorrectly. * The WHS tardy policy can be found in the WHS student handbook which can be accessed by clicking [HERE](#).

*At the beginning of each semester, student tardies will reset**

UCPS has enabled an automated message that will go out each day to the parents of students who were tardy for one or more classes that day.
