CONGRATS NAN JIANG!

Congratulations to Nan Jiang for qualifying during Round Two of the DECA Virtual Business Challenge to compete in Knowledge Matters Virtual Competition (VBC) in Hotel and Lodging at the International ICDC Orlando, Florida in April 2023. She was 1st in the state and 2nd in the Southern Region.

Qualifying within the VBC was no easy task, given the thousands of students she had to compete against and the number of hours that participants logged while working on the simulation competition file. The Knowledge Matters team would like to commend Nan on this amazing accomplishment, and to thank you and your chapter for your participation.

IMPORTANT REMINDERS

Arrival and Dismissal

As we begin the second semester, we want to share a few reminders with arrival and dismissal. We continue to encourage students and parents to allow extra time to get to school in the morning to ensure they are on time. We kindly ask that students are not dropped off or picked up in the student parking lot or in the bus lot. Only students with a valid parking pass will be permitted to park in the student parking lot.

Students are not to park in the church parking lot across from the school or on the streets in surrounding neighborhoods. All student drop-offs in the morning and pick-ups at dismissal are to be done in the car rider line. **We also ask that all cars pull all the way down in the car rider line as directed by staff. This allows more students to access their rides at one time, thereby speeding up the pick-up process.**

Drop Off Table

Should a student need an item brought from home, parents are permitted to do so. There is a drop-off table inside the main foyer. The school will not be responsible for any items left in this drop-off area. Classes **will not** be interrupted for pick-ups. Make sure to label them with your child's first and last name. **Food drop-offs by parents or outside delivery services (such as Door Dash, Uber Eats, etc.) will not be permitted.** Please plan ahead for events such as a forgotten lunch by arranging to have a balance in the student's cafeteria account. **No other deliveries will be accepted for students...this includes flowers and other gifts.**

Governor's Page Program

Founded in 1973, the Governor's Page Program gives high school students from all over North Carolina the opportunity to come to Raleigh for a week of hands-on participation in their state government. Pages grow in four areas: history, civics, service and professional development.

The program is designed to help students grow in four key areas:

- Civics. Pages will see first-hand the three different branches of government and how they work together to serve the people of North Carolina.
- History. Pages will learn about our shared history so that we can better understand the present.
- Service. Pages will learn more about the importance of community and civil service, and the impact it has on our state.
- Professional Development. Pages will interact with professionals in state government and develop skills needed for entering higher education or the workforce.

Criteria

Each applicant must be a North Carolina high school student in good academic standing and classified as a Junior, Senior, or recent high school graduate. Pages are selected to serve for a term of four days. All pages must abide by a Code of Conduct throughout their time in the program, which includes COVID-19 policies.

ANXIETY AND STRATEGIES

March 9, 2023 at 6:30-7:30 p.m. - Sun Valley High

Trent Morrow, from L&B Counseling, will present "The Anxiety Trap." It's human to experience fear, self-doubt and confusion. In the right dose these feelings can be helpful—they keep us vigilant, engaged, and productive. However, sometimes anxiety can act as a trap when it begins to overburden our brains and undermine the way we and our kids perform. Trent will discuss how to break free from this kind of anxiety and discuss the strategies that can put us all in charge instead of the anxiety.
