

ACT[®] MOCK EXAMS

Prepare for the ACT[®] with four weeks of practice on Albert!

Each week, you'll have 2-4 practice exams that you're able to view and complete right from your Class Dashboard in Albert. Here is a list of practice exams that will be available each week.

Week/ Date	Exams Available	Length
Week 1: February 1st DUE: FEB. 7TH	English	75 questions - untimed
	Reading	40 questions - untimed
Week 2: February 8th DUE: FEB. 14TH	Math	60 questions - untimed
	Science	40 questions - untimed
Week 3+4: February 15th Full-Length Practice Exam DUE: FEB. 28TH	English	75 questions - 45 minutes
	Math	60 questions - 60 minutes
	Reading	40 questions - 35 minutes
	Science	40 questions - 35 minutes

You will have the option to complete each section of the full-length practice exam in Week 3 and 4 in a timed or untimed setting. Completing all sections **within the allotted time and in one sitting** will help you build the stamina needed for exam day.

Writing

Looking for more practice? Albert offers 100+ additional subjects to help support mastery.

Connect with your student's teachers to learn more about how they're using Albert in the classroom.

Three Steps to Maximize At-Home Practice

1. LOG-IN

- Your student should already have an account set up through their school.
- Check with your student to see which option they have used at school.
- Students can sign in with **email** or with the **Google** or **Clever** buttons.
- [Learn more here](#)

2. PRACTICE

- Students should complete any assignments on their **Class Dashboard**.
- Students can practice within one of the **subject guides** open on their classes page.
- Students can answer questions and review feedback at their own pace.
- [Learn more here](#)

3. REVIEW DATA

- Ask your student to log in to their Albert account.
- Students should click their username and select **My Subject Analytics**.
- Select one of the ACT[®] or SAT[®] subjects and click **View Analytics**.
