

we can  
help

## Dear Parents/Guardians,

We (the collaborative team: School Social Worker and BH therapist) with the **Sun Valley Cluster** will be available through the summer. If you need any assistance, please do not hesitate to contact us. We can assist with the following.

### School Social Worker

- Connecting families to resources (e.g. mental health, housing, utilities, food, or clothing).
- Assisting families who are in transition.
- Consultations with families about enrollment, academic or family crisis.

### Behavioral Health Therapist

- **Continued therapy** for established students and families.
- **Screening and Intake for Mental Health services for new individuals and their family** to start and continue into the 2020/2021 school year.

**Shiloh Valley Elementary, Shiloh Valley Primary, Indian Trail Elementary, Sun Valley Middle, Sun Valley High, and Union County Early College.**

We look forward to working with you during the summer months. For more information concerning this opportunities, please feel free to give us a call directly. **Trina Tolbert will only be available until June 10, 2020. If you need the BH please contact the school social worker. Thank you!**
