The Robotics Club will be selling candy bars for \$1 as a fundraiser starting on February 13. Please see a Robotics Club member or Mrs. Cook if you would like to make a purchase. The flavors are: Almond, Caramel, Crisp, Milk Chocolate, and Dark Chocolate.

Congratulations to January Students of the Month!!

Cassidy Hollow - Cassidy is a hard worker who is always ready to help her classmates. Keep up the good work. (Mr. Fish, Math)

Daniel Khrapko - Daniel shows a great deal of engagement during both group and class discussions. Moreover he is respectful and polite to me and his classmates. I truly appreciate your positive attitude!! (Mr. Adams, English)

Rhyannon Huburn - Ria is GREAT! She is always 100% engaged in class, makes insightful comments, and asks good questions. She is a pleasure to teach and I'm so happy to have her in class! (Mrs. Pharr, History)

Araceli Corro-Alcocer - Araceli has been in 3 classes with me this year. She has been a hard worker in each one. In addition, she is always positive and respectful. I am very glad to have the opportunity to teach her! (Ms. Powell, Science)

Nikayla Lewis - Nikayla is working really hard and is using resources outside of class to help her understand math. Keep up the work!! (Mrs. Meissner, Math)

Ashton Kilgo - Ashton is friendly and has a positive attitude. He is a great student who is both responsible and diligent. (Mrs. Cook, History)

Ariel Frazier - Ariel is a valuable addition to class. She goes the extra mile in assignments and has provided thought provoking work. (Mrs. Hollis, Personal Finance)
