

Weddington Middle School Booster Club Update 2020-2021

www.wmsabc.com

Hello to all of you Rising 6th Grade WMS WILDCAT Student Athletes and families. Middle School is an exciting new season of life – and we cannot wait to meet you all! The latest update from UCPS is that we will be able to start on July 27th for sports. This remains a fluid situation so I encourage EVERYONE to register their email on our website www.wmsabc.com to get updates EVEN if you are not registering your student for a FALL SPORT.

Please register your Student Athlete by JULY 3rd for FALL SPORTS

Fall Sports Available:

Football – 6th Grade Team, 7th Grade Team, 8th Grade Team

Cheer – 6th Grade Team, 7th Grade Team, 8th Grade Team

Dance Team

Girls Tennis

Cross Country

Girls Volleyball

*****Once you get your student athlete registered you will then need to register for your fall sport.*

We ask that you **slow down and carefully read, read, read the instructions.** It eliminates 50% of registration issues.

Additional Information:

- We still need volunteers for coaching!!! Please check our website.
- [Check out our video about fall sports.](#)
- We *strongly* encourage you to participate in WILDCAT CLUB when registering your student athlete. We fund our campus field improvement programs and much more through your support of the Wildcat Club.
