Dear Parents/Guardians:

Union County Public Schools – School Nutrition Services is committed to serving your child nutritious meals each day. We recognize that some students have special dietary needs due to a medical reason, such as allergy, intolerance or therapeutic diet. In order for the UCPS - School Nutrition Department to meet special dietary needs that students may have, we need you to complete a **Medical Statement for Students with Special Nutritional Needs for School Meals or Diet Order** form. This Diet Order form will remain on file in the school's health record of the student and on file in the cafeteria computer system. This diet order should include all of the important information for the student and must be updated periodically (as the student's condition changes or every three years). Therefore, we need a completed Diet Order from your child's physician/health care provider indicating your child's dietary needs, allergies or food substitutions. We are certain that your child's physician/health care provider will cooperate in helping you get this needed information to document your child's health and nutrition needs.

The Diet Order form can be found on the UCPS homepage under the Parents tab, and then under the District Forms option. If you cannot obtain this form digitally, your school nurse or cafeteria manager will be able to provide a print copy to you.

This form needs to be completed and returned to your school's cafeteria manager or the School Nutrition office for our records at least two weeks before the first day of school (for Traditional schools – August 31, 2020, for Year-Round schools – July 20, 2020). The school cafeteria will record information in the cafeteria computer system to monitor student meal items and trigger special instructions sent to the cafeteria manager. This information is very important to maintain in the computer files because it will alert cafeteria staff of special dietary needs or food substitutions that you and your child's physician have indicated are required. There may be a delay between our receipt of the information and the time it takes to prepare the cafeteria, you will receive a letter once the cafeteria is able to provide your student an appropriate meal.

Please remember, if your child requires any special accommodations for food substitutions, the ordering physician should note this information on the diet order form. If there are other, food choices on the menu that meet your child's needs, then your child will be expected to choose from those foods rather than have substitutions made. Food preferences are not taken into consideration with regard to available foods, just as this is not a consideration for a child without food allergies.

Should you have questions or concerns, please feel free to call the School Nutrition office at (704)296-3000, Ext. 2071.

Sallie Roberts, MS, RD, LDN  
UCPS – School Nutrition Services

## Growing Possibilities.

In compliance with federal law, UCPS administers all educational programs, employment activities and admissions without discrimination against any person on the basis of gender, race, color, religion, national origin, age or disability.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: [http://www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html), and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture Office of the Assistant Secretary for Civil Rights 1400 Independence Avenue, SW Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: [program.intitak@usda.gov](mailto:program.intitak@usda.gov).

UCPS School Nutrition is an equal opportunity provider.

January 2020

Dear Parents:

The After School Program provides purposeful activities in a caring atmosphere for children in grades K-5 enrolled in the Union County Public School system. The program consists of supervised enrichment and recreational activities suitable to appropriate age groups. Plans are to continue After School Programs at 25 elementary school locations for next school year. The program is self-supporting; therefore, we will continue to have programs at schools that have and maintain sufficient interest. We must have a minimum of 30 students enrolled at each site in order to continue the program.

There is an annual \$25 registration fee per each family enrolled in the program. For the 19-20 school year, the cost is \$60.00 per week for the first child enrolled in a family and \$55.00 per week for any additional children in the same family. The weekly fee includes all materials and a daily snack. These fees/costs are subject to change, and parents will be notified of weekly tuition rates prior to the beginning of the school year. Once your child is enrolled, you will receive a payment schedule indicating amounts and due dates. Prior to school starting in the fall, you will be invited to attend After School Open House. At that time, you will receive additional information regarding our policies and procedures.

Our daily activity schedule includes homework time, free play, teacher directed activities, student choice time and snack time. The After School Program operates from the closing of school until 6:00 p.m. each day school is in operation and on teacher workdays, if there is sufficient interest.

**To add your child's name to the Contact List for After School please follow these steps:**

1. Visit the Union County Public Schools website, scroll down to "Departments" and click on "After School Program." Once you are on the After School Program web page, on the left hand side, select "After School Online Interest List" where you will be able to click on a link "*Click here to access the Online Interest Form.*"
2. Under "New Family," select your school and click "New Family Registration." This will take you to the Parent/Guardian information page which will allow you to input your information. Once complete, click submit. You will then see a second page for student information which you should also complete and submit. Please note: If you are a UCPS employee, please add that information in the comments section on the student information page.

Having your name on this contact list will allow us to contact you via email with regards to registration. Registration opens on April 6, 2020, for those students currently enrolled in ASP and their siblings. Registration opens on April 20, 2020 for all new students, including the 2020-2021 kindergartners. There are limited spots available at each site, so please be sure that when formal registration opens, you enroll quickly.

We look forward to working with you!

Sincerely,

Rachel Clarke, Ed.D.  
Director, UCPS After School Program
