Senior Survey

During the fall semester, many college admissions counselors will visit our campus to make admissions presentations to interested students. Students are asked to list up to three colleges they would like to hear from on the below google doc and we will make contact with the admissions counselors to see if they are available for a school visit!

NOTE: Students will need to use their UCPS Google account to complete the form.

Senior Recommendation Packet

Seniors, now is the time to begin checking with your colleges of interest to verify all required application documents. Students who would like to request a letter of recommendation from their counselor need to complete the online Senior Recommendation Packet. This can be found online by visiting the Counseling page of the CHS website or by clicking the following link: <https://goo.gl/i8iFWi>

Students hoping to receive a teacher letter of recommendation should contact the teacher directly to inquire about information needed to complete the recommendation. Please be sure to submit stamped, addressed envelopes for all schools that do not accept electronic submissions.

As a reminder, students are responsible for requesting their standardized test scores (SAT/ ACT) to be submitted to their colleges of interest. You may do so by logging onto your student account on CollegeBoard.org or ACT.org and following the directions for test score submission.
