Senior Survey

During the fall semester, many college admissions counselors will visit our campus to make admissions presentations to interested students. Students are asked to list up to three colleges they would like to hear from on the below google doc and we will make contact with the admissions counselors to see if they are available for a school visit!

NOTE: Students will need to use their UCPS Google account to complete the form.

Senior Recommendation Packet

Seniors, now is the time to begin checking with your colleges of interest to verify all required application documents. Students who would like to request a letter of recommendation from their counselor need to complete the online Senior Recommendation Packet. This can be found online by visiting the Counseling page of the CHS website or by clicking the following link: <https://goo.gl/i8iFWi>

Students hoping to receive a teacher letter of recommendation should contact the teacher directly to inquire about information needed to complete the recommendation. Please be sure to submit stamped, addressed envelopes for all schools that do not accept electronic submissions.

As a reminder, students are responsible for requesting their standardized test scores (SAT/ ACT) to be submitted to their colleges of interest. You may do so by logging onto your student account on CollegeBoard.org or ACT.org and following the directions for test score submission.

NOTE: Students must be logged in to their UCPS Google Apps account to access the recommendation packet.

Welcome back from the PTSO

On behalf of Cuthbertson High School's PTSO, I would like to welcome all new and returning families to the 2017-2018 school year! We have so many wonderful things planned for this upcoming year in an effort to make this a successful one for students, parents, teachers and administrators. We are a volunteer organization, and as such, are only as strong as the members who comprise our team.

Our theme this year is INCLUSION. We want you on our team! All of our Committee Chair positions are filled, but we welcome anyone who would like to get involved to reach out to us, and we can include you on any one of the many teams we have that work tirelessly throughout the year to make your child's experience the best possible one here at CHS.

We look forward to meeting all of you at our first General Meeting on Sept. 11th at 6:30pm in the Media Center at CHS. I will be giving a short presentation on our PTSO and our Executive Board will be there to answer any questions you might have.
