For Parents of Current 11th Graders – Immunization Update

Please click [here](#) for an important letter to inform you of a new 12th grade immunization law in North Carolina. Starting August 1, 2020, a second dose of Meningococcal conjugate vaccine is required for students attending school in North Carolina who are entering the 12th grade.

UCPS is expanding efforts to keep students safe. The state has joined Sandy Hook Promise to bring the Say Something Anonymous Reporting System to North Carolina schools. This system is designed to change and save lives by teaching students, educators and administrators how to recognize the signs and signals of those who may be at risk of hurting themselves or others, and to anonymously report this information through a telephone crisis hotline, website or mobile app. For more information or to submit a tip, click [here](#).
