2020-2021 Course Registration

Registration for the 20-21 school year is continuing. Prior to the school closure, students in grades 10, 11 and the first part of the 9th grade had an opportunity to meet with counselors to review their course requests. Those students will receive an email asking if they would like to make any changes. Every student should complete and submit the google doc, even if they do not want to make changes.

Students who did not enter course requests (grades 9-11) will also receive an email asking them to list the courses they would like to request for next year. It is very important that this is completed so that we can begin working on the next step in the registration process.

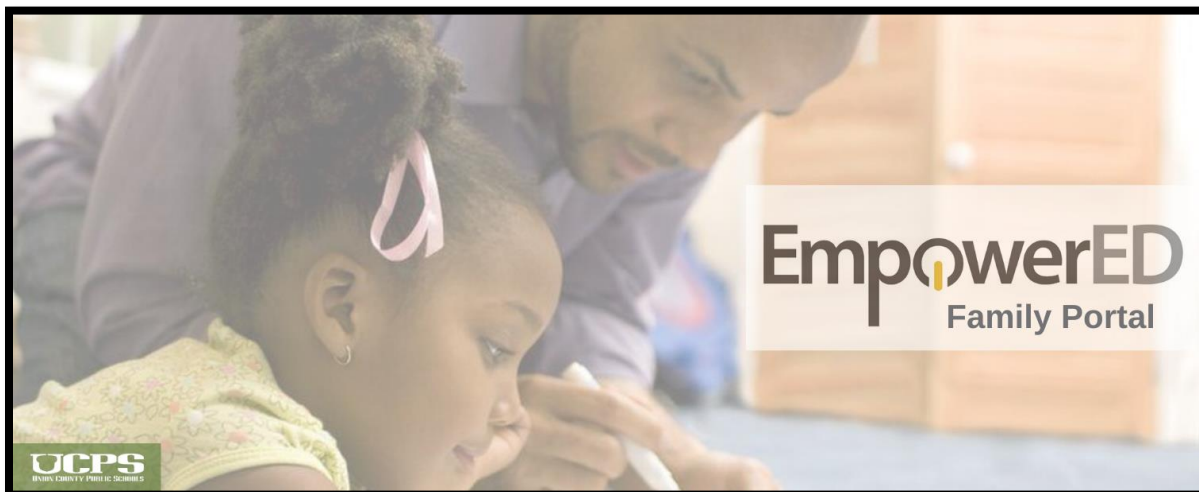

There is a section on both forms for students to submit questions. Please be sure your student completes this process by this **Friday, May 8th**.

The North Carolina Clean Energy Technology Center has launched the 3rd Annual "Keep Our Air Clean" Student Art Contest, where students in North Carolina from kindergarten through high school can submit their artwork for a chance to be featured on billboards across the state! Artwork should focus on actions that people can take to reduce air pollution from vehicles and help keep our air clean. The deadline for submissions is June 12. For rules and submission details visit: <https://tinyurl.com/ybfgsk8r>

Chromebooks and Home Internet Access

A common problem that students may experience with connecting to the Internet from home on their chromebooks is that they will get a gray ZScaler screen asking for a login. This will always happen the first time a student tries to log in at home on the school device. To get past this issue, students should log in with their usual login – LEAVING OUT THE WORD 'student' and using their normal password.

Example: If their regular login is 1234567@student.ucps.k12.nc.us, then to get past this ZScaler screen they should type in 1234567@ucps.k12.nc.us and then their usual password.

Important Information From Your Counselors

Hello Seniors!

We miss seeing you guys and hope you are healthy and safe! We wanted to send out a couple of updates:

- Please complete the Graduation Survey in Naviance. This is a required district task and lets us know where to send your final transcript (this is very important). Please be sure to do this and enter all scholarship information received. Here are the directions to find the survey:
 - Log into Naviance
 - Find the link for the Graduation Survey in the top left-hand box titled "Welcome Cavs"
 - Click on the link and complete the information
- If you have received scholarships, in addition to listing them on the Graduation Survey, please take a picture of them and email them to Ms. McAleer at Agnes.McAleer@ucps.k12.nc.us. Remember to send ALL scholarship information, not just the ones you plan on accepting.
- If you have not done so, please update admission decisions in Naviance. This information is private, but helps populate the graphs so that we can see admission averages for our students.
- Enter the college you will be attending, this is a back-up to the graduation survey. You can do this on your "Colleges I'm Applying To" page, select the college from the drop-down menu in the "College I'm Attending" section.

Please let us know if there is anything we can help you with or if you have any questions. We are happy to help in any way we can!
