Important Meningococcal Vaccine Information for Current Seniors

In 2015, the State of North Carolina added Meningococcal vaccine to the school required immunizations. You may reference their letter [here](#). The first dose of Meningococcal vaccine, MCV, was given to this year's Seniors prior to the start of 7th grade as a school required vaccine. The second dose of this vaccine is required prior to the start of the Senior year, the 2021-22 school year.

If your child does not currently have evidence of the MCV vaccine, please contact your child's health care provider to obtain it. Following administration of the vaccine, please submit a copy of the record to the school nurse yet this school year. This documentation must be on file here at school prior to the start of the 2021-22 school year (August 23, 2021) to meet this school enrollment requirement. Individuals born before 1/1/2003 are exempt from this requirement.

For complete details and explanations, please review the website <https://immunize.nc.gov/schools/ncruleslaws.htm> for NC general statutes 130A-157.

Thank you for your timely attention to this matter. If you have any questions, our school nurse Amy Haislip will certainly be available to you as a resource. Please contact her at school by phone 704-296-0105 or email amy.haislip@ucps.k12.nc.us. This information is also posted on the CHS website [For Parents](#) page and the [For Students](#) page.

Senior initial transcripts will be available AFTER the 10th day of school. Rank and the size of the senior class will be updated at that time as well. If you are in need of an unofficial transcript for use with your applications, please reach out to Ms. Morton at Debbie.Morton@ucps.k12.nc.us.
