Attendance Reminders

CHS families are reminded that excuse notes should be turned in to the front office on the day the student returns from the absence. If a medical appointment is involved, a note from the doctor/dentist/therapist/etc. office should always be provided. Parent notes for illness should be submitted if the student is out sick and does not require a visit to the doctor. For College Visits, please remember that juniors and seniors may have up to 2 college visits per year. While on the college visit, the student must REQUEST a note from the school. Most schools have form letters that they are happy to give out upon request. If you have any questions about attendance, please email michelle.rutowski@ucps.k12.nc.us. Students who have 8 or more absences in any class may fail that class for attendance. Those students should see Ms. Rutowski immediately during their lunch break or after school.

Internships

The application deadlines for Seniors interested in internships are approaching fast! All medical internship applications were to be turned in by October 15, and non-medical internship applications must be turned in by Thursday, October 31. Please see Mrs. Gautreaux with any questions and turn in applications to her office in E115.

Ladies Golf

Join us in congratulating our ladies Golf team on a strong performance at the 3A Western Regionals this week! Photographed in the group shot are Coach Catie Helms, Mia Stover, MacKenzie Cook, Layla Meric, Emma Mascioli, and Marisa Woodson. Mia Stover, Emma Mascioli, and Layla Meric all qualified to compete at the state tournament next week! Layla is also the 3A Regional champion for the state of NC! Way to go, Cavs!

Chromebook Video

At the beginning of the 2019-2020 school year, each student was issued a Lenovo N23 Chromebook and charger. These Chromebooks have protective cases that should not be removed at any time. If the case is removed, the student will become ineligible for insurance claims, and will therefore be charged for any damages to their Chromebook. To remind students of the proper care and treatment of Chromebooks, Technology Services created a video that we have provided a link to for your reference: Chromebook Care Video
