# Canvas Parent Readiness Checklist

## What is a Canvas Observer?

The main use of the observer role is to link a parent to a student. Observers cannot submit work on behalf of the students they observe, but they can see student grades, assignments, and calendar events. For more information: <https://bit.ly/UCPSscr1>

## How do you get an Observer Account?

Parents and guardians can be linked to students in Canvas with a unique pairing code. Observer accounts can "observe" more than one student. For more information: <https://bit.ly/UCPSscr2>  
Video: <https://bit.ly/UCPSscr4>

## How do you navigate Canvas?

As an observer in Canvas you can see all courses the child is enrolled in, upcoming events and even grades! For more information:

## Ebooks & Media Center Books!

During Plan B, students may browse our online Media Center catalog called “Destiny.” A link to Destiny is located on their Student Startup page. If they find a book (a real copy of the book – not an Ebook!) that they would like to check out, they can easily [place a hold for it within their own Destiny account](#).

Both Plan B and Plan D students may do this! Plan D students just need to place their hold, then email [Mrs. Tautfest](#) to arrange an outside pickup time!

For Plan B students, the book will be pulled for them, wrapped for sanitation, and left on a table for pickup located outside the MC doors. Students will not be allowed in to browse the shelves on their own due to Covid safety measures.

Free Ebooks sources:

1. [Our Media Center web page](#) Contains links free Ebook sources.
2. [The Union County Public Library](#) Students may sign in with their student number and password of your birth year.
3. Sora via Clever. Watch this short video to learn how to access <https://tinyurl.com/ya4phouz>.

## CHS Chapter Chat

This reading incentive program has been created to encourage reading for pleasure and to inspire book chats among readers and share ideas of great books to read. All students, whether Plan B or Plan D are all welcome to participate!

When they have read a book, they can self-enroll in the Canvas course using this link: <https://tinyurl.com/yy2evmuc>. Once enrolled all they have to do is click the arrow at the bottom to enter the book’s title, author, and number of pages along with a short description of the book. Then they are free to read others’ entries and chat.

Any readers who read over 1000 cumulative pages during the semester will get their names printed on the Chapter Chat academic achievement board displayed in the Media Center and will receive souvenir reader pins! Contact [Mrs. Tautfest](#) with any questions.

## Here Comes the Bus!

Team UCPS families throughout the district are using the FREE, Here Comes the Bus app to know when the bus will be pulling up to their stop. When downloading the app you will need your child's student ID number (this is their PowerSchool number) and last name.

Instructions of how to download this to your mobile device are located at <https://tinyurl.com/yxenff85>.

## Calculators

TI-84 calculators are considered basic school supplies for high school students. They are used for all math classes as well as the SAT/ACT. TI-84 calculators can be purchased, new or used, from various vendors for a student to use throughout their educational career.

However, if a student has a financial need and needs to borrow one, our Media Center does have a small supply available for checkout. The new online process for this year is for parents to fill out [this Google Form](#) if they wish their student to borrow a calculator for the semester.

The Media Center staff will check the form daily, check out a calculator to the students listed, and hand-deliver it to the student in their Math class. The Calculators should be returned at the end of the semester after exams. More details are found in the Google form.

## U Matter in UCPS!

The UCPS Tip Line and/or Say Something Anonymous Reporting System is available to help you or someone you know that may be in need to help. You can also give kudos or notes of encouragement through the UCPS Tip Line. Both of these options are [available here](#).
