## Photo Days Coming Up

Underclassmen pictures will be taken next week, September 21-24. Students will take their school pictures on their scheduled class day for the week. These are the only photos that will be used for the yearbook, and due to safety restrictions in place, these are the only dates that photos will be taken. There will not be a make-up date this year.

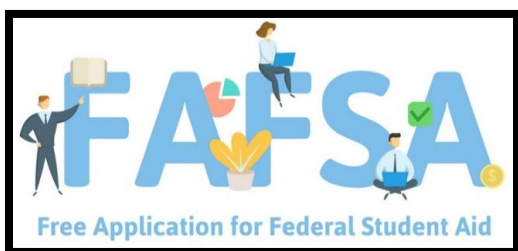

Students will be assigned specific times to report to the auditorium for photos in order to ensure social distancing. Counselors will be sharing these scheduled times with students via their school email accounts before the end of the week, and teachers will also have access to these scheduled times in order to remind students throughout the assigned date.

Virtual learners will also take school pictures on September 21-24. Students will be asked to report to school based on their last name, but they will be photographed in the afternoon. Students with last names A-D will have scheduled times on Monday, E-K on Tuesday, L-Q on Wednesday, and R-Z on Thursday. For the safety of all students, all virtual students will be required to complete screening before they will be allowed in the auditorium for photos. If you have any questions or concerns, please feel free to [reach out to Dr. Whitt](#).

## **Start With Hello Week – September 21 – 25**

The CHS Counseling Department will be sponsoring activities this week to promote 'Start With Hello' Week. Social isolation is the overwhelming feeling of being left out, lonely or treated like you are invisible. Young people who feel this way may pull away from society, struggle with learning and social development or choose to hurt themselves or others. 'Start With Hello' Week brings attention to the growing epidemic of social isolation in our schools and communities, and empowers young people to create a culture of inclusion and connectedness within their school or youth organization. Learn more [here](#).
