Exam Slam:

- 5-20-10 – 8 days of review- Dr. Little is trying to get the exam slam close to the day the students will be taking the exams
- We cannot remediate or retest early

Star Program:

- Rising 9th grader- High level 2 or low level 3 Thos need the extra help along the way. They got a great response from the freshman orientation

Community Service: This award went to the BETA Club for the following:

- Winchester Day Care-presents for children at the daycare
- Christmas Bureau
- Mentor Program at Wingate Elementary- They would go in at 7:15 and read until 8:00
- East Union- Helped with their plant sells
- Wingate Elementary Family Night
- Anson New Technology high school to get their BETA club started
- Participated in MS walk to raise money for our school
- Operation Christmas Child

50th Anniversary- This will be in the fall when school starts back

Budget Cuts- Will hear about this within the next few months

9th grade lap-tops are not going to happen this year.

FHHS will be doing away with Driver's Education at the school.

Summer school will be at the school this year- 6-25 to 7-24. We cannot start summer school until after all of the retesting is finished.

A question about letting parents know about their child's schedule and how to change from regular to honors courses was brought up. Is there something that can be done?

Guidance is having problems getting volunteers and is looking at consolidating classes so that they have the amount of proctors that they need for the EOCs.

The meeting was adjourned at 6:40 pm
