- **Approve Minutes from August: Actionable**
 - It was moved for the minutes from the August 2014 SBMT meeting to be approved. The motion was passed unanimously.
- **CCEP (Community Construction Equity Plan): Information**
 - Mr. Porter and Dr. Plue met with the school level committee to prioritize construction needs at Forest Hills. This committee will report to SBMT before the January 2015 deadline. Construction improvement projects are related to one of the following categories: remodeling (painting, additional office space, etc.), safety and security, and athletics.
- **SIP: Actionable**
 - Dr. Plue presented the updated School Improvement Plan to the School Improvement Team. The team voted to approve the plan. The plan will then be voted on by the entire staff and posted on the school website.
 - It was noted that Forest Hills High School improved from not meeting growth to exceeding expected growth. Graduation rate also increased.
- **Intramurals: Need Input**
 - As a product of Student Council's RSVP, the idea of intramural sports was suggested. Dr. Plue is looking in to whether or not intramural sports are endorsed by Union County Public Schools.
- **Budget: Information**
 - Union County Public Schools' final budget has passed but individual school must wait for the 20th day of school enrollment for final numbers.
 - School based money will most likely be about the same as last year as FHHS did not grow significantly (due to grandfathering of redistricted students). The finalized budget will be available at the October meeting.
- **The next meeting will be held on October 8, 2014 at 4 pm.**
