#### **Chromebook Information**

\*Please remember that the UCPS technology agreement signed by all students before being issued a Chromebook requires that students must bring charged laptops to school each day.

\*Per MRHS policy, no laptops can be left in the main office for student pickup.

\*The \$25 student technology fee must be paid each year.

\*All EOC and NC Final Exams are now online. Students in these classes will need Chromebooks during final exam week for online testing.

\*\*Our plan for end of year Chromebook collection will be shared soon. Please be ready to turn-in laptops when requested to avoid fees and charges.

**Type of Exams:** We have four types – EOC, NC Common Exams, IMS, and Teacher-Made. Your student's teacher can address which type your student will take. A list of EOC courses, IMS, and NC Final Exams is listed on our website. IMS tests are for all CTE courses. All other exams are teacher-made.

Attendance: Attendance during exam days is required for all students, for both exam sessions and review sessions. Our normal school hours apply, but the schedule and lunch times will be adjusted. June 11 is an important day for any students who have missed an exam earlier in the week due to illness. Please note: Family vacation plans and college orientations are not considered excused absences; no students may take exams early. We apologize that any requests for exceptions cannot be honored.

Testing Window: Rules from NCDPI (North Carolina Department of Public Instruction) require that (state) testing is completed by June 10. Make-up sessions for EOC, NC Final, and IMS tests will be held on Wednesday, June 10. Make-up sessions for teacher-made exams will be handled on a case by case basis with the teacher. Teacher workdays may be used for make-up teacher-made exams with administrative approval.

## **Spring Final Exam Information**

**Percentage:** All high school exams count 25% of a student's grade for the semester. Please emphasize this point to students and help them to recognize the opportunity of a positive outcome and the consequence of a negative one.

**Exam review:** All teachers are expected to help students with review during class time and to distribute a review guide to students prior to testing. Study guides will also available on teacher Moodle pages. Please look for these after Memorial Day, but it is never too early for your student to begin organizing and reviewing material.

**Academic Integrity:** Please remind students of our Academic Core Values on p.6 and posted in previous editions of the Maverick Message. The penalty for cheating of any kind is a "0" on a final exam. Students will be required to turn in cell phones during testing sessions, and it is our strong recommendation that they are not brought to school on these days.

Your student's success is always our primary concern. Please contact the school (your child's teachers, grade level counselor, or assigned administrator) if you have any questions.

## The Jeff Aten Memorial Scholarship

Each year, the Marvin Ridge Mavericks Athletic Booster Club will award a \$2,000 scholarship to a deserving Marvin Ridge High School senior. The goal of this scholarship is to recognize a graduating student who demonstrates academic achievement, dedication to their athletics, including positive sportsmanship, strong character and involvement in their community. This scholarship is a one-time grant, paid directly to the student's post-secondary school, to honor the values Coach Aten and this student exemplify.

To be considered for the Jeff Aten Memorial Scholarship, students must meet the following criteria:

- Athletic Participation: Applicant must be a graduating senior of Marvin Ridge High School who has participated on a sports team (varsity or junior varsity) for at least 3 years. The sports teams need not be at MRHS for applicants who transferred to MRHS during high school.
- Academic Achievement: The student athlete must have a minimum cumulative un-weighted high school grade point average (GPA) of 3.0 on a 4.0 scale, as of the end of the third grading period of the applicant's senior year. This will be confirmed for all applicants by the MRHS guidance department prior to the committee reviewing applications.
- Post-Secondary Education: The applicant must be accepted to a post-secondary educational institution. Post-secondary educational institutions include, but are not limited to, two-year or four- year colleges, universities, technical, and vocational schools.
- Letters of Recommendation: Applicants must have two recommendations. One from a coach or teacher of MRHS, and one from someone within the community that is not affiliated with MRHS nor is a family member. Those completing the letter of recommendation must place the letters in a sealed envelope and sign the envelope prior to giving the letter to the applicant to turn in. The letters should include the Student ID # but not the student's name.
- Application Form: Student must complete and submit, by the posted deadline, the application with all prescribed forms, essay, and two sealed recommendations. The application form should be hand written and free of errors.
- Essay: All applicants must submit an essay about their high school experience and how their involvements in athletics and the community has helped them in their education and/or life. The essay must be typed on a separate sheet of paper and be attached to the scholarship application form. The essay must be 750-1000 words. The essay will be judged on content, grammar, organizational style, and content.

Selection Committee- Scholarships are awarded on the basis of merit. Financial need is not a factor in applying for this scholarship. Applicants will be evaluated by a committee consisting of: Deborah Aten, one MRHS administration representative, one MRHS Coach, and two community members. Parents of the applicant(s) may not serve on the selection committee.

Submission- Students must turn in the completed application form, essay, and two sealed recommendations to the Guidance Office by Monday, May 18 at 1:00 pm. Guidance will keep the contact information and the committee will only receive Student ID numbers to keep this process blind.

## Marvin Ridge High School Varsity Winter Guard is Scholastic A World Champion and Gold Medalist in WGI WORLD Competition

Marvin Ridge High School is celebrating the Scholastic A first place gold medal standing of its Marvin Ridge varsity winter guard team. Marvin Ridge is the first North Carolina Scholastic A team to ever

win first place at the annual Winter Guard International (WGI) world competition. 123 teams from around the world came together April 16th through the 18th. The competition is so large it takes place in three venues. Competitions are held simultaneously at the Nutter Center at Wright State University in Dayton and the Cintas Center in Cincinnati with the final round taking place at the University of Dayton Arena.

Marvin Ridge placed third out of 123 teams in Scholastic A preliminaries, which allowed them to advance to semifinals with 31 other teams. The Marvin Ridge Team then moved into second place in Scholastic A semifinals and advanced to the Scholastic A finals round with 14 other teams. A great final run of their show entitled "There's No Place Like Home' propelled them into first place where they became Scholastic A World Champions and gold medalists. This young team has competed at world competitions in the past but this is the first year they have made it into finals. The team had a very good season and they also won first place and were decorated with gold medals for winning the circuit Carolina Winter Ensemble Association (CWEA) Championships that were held in Rock Hill, SC at the end of March.

The varsity winter guard team is comprised of 10 students from Marvin Ridge High and Middle School. This team includes Guard Captain Emma Adcock, and guard members Omari Simmons, Anne Pickhardt, Michaela Johnson, Nicole Patton, Lia Kitteringham, Gracie Wagner, Mackenzie Jackson, Ava Cortelli and Yuna Asano. This team has dedicated over 200 hours to practice and nearly every Saturday from January through April competing in local and regional competitions. Their show, *There's No Place Like Home*, is based on Dorothy's story of leaving the city and getting back to the farm.

There are currently 10 countries that compete in winter guard including the United States, Canada, Belgium, Holland, Germany, England, Ireland, Korea, Japan, and Africa.

More information on the art of winter guard can be found at <a href="www.WGI.org">www.WGI.org</a> and <a href="www.CWEA.org">www.CWEA.org</a>. More information on the team and Marvin Ridge Bands can be found at <a href="www.marvinridgebands.org">www.marvinridgebands.org</a>.

If you would like to support the Winter Guard and Marvin Ridge Band program, please contact bethkitteringham@gmail.com or MCortelli@pentaengr.com.

## FBLA dominates state competition

The Marvin Ridge FBLA chapter attended the state competition held in Greensboro, NC last week, and it was a tremendous success! Of the 37 MRHS students who attended the event, 29 medals were earned, with TEN students earning a 1<sup>st</sup> place finish in their respective events. MRHS also earned two chapter awards, one for largest chapter in the state and one for largest chapter in the Southwest region. Pictured left are First Place Business Plan winners, Mira Hashe and Elizabeth Bueche, with advisers Mr. Troy Burns and Ms. Kelley Gates.

The 1st, 2nd, 3rd, and 4th place winners listed below have earned an automatic bid to the FBLA National Competition in Chicago, IL in June. Please congratulate these students as you see them throughout the week.
