MRHS Key Policy Review—Dress Code Reminders

Parents: Please continue to help us with appropriate attire for school with your student. Students are doing a fabulous job for the most part, but the following statements continue to be areas of concern.

- **Shorts, skirts, dresses, etc. must extend to a student's fingertips when the student is standing up straight. No holes are allowed above the fingertip length.**
- **Shirts, sweatshirts, blouses, or shorts that are worn with leggings, spandex pants, or yoga pants must extend to a student's fingertips when the student is standing up straight.**

For a copy of our full dress code, please see the MRHS Student Handbook available on our website.

Marvin Ridge High School Site-Based Management Team Opportunity

It is time to plan for additional parent representation on our school's Site-Based Management Team, with service to begin during the 2014-15 school year. The Site-Based Management Team is an elected group of parents and staff who meet monthly to discuss and decide upon various matters of importance within the life of the school including overall improvement efforts, the instructional program, safety, budget and more. The meetings are typically held the fourth Wednesday of each month, from 3:00pm to 4:30pm. Terms of service for elected parents are 2 to 3 years. Parents who express interest are to be reviewed and elected via a ballot at the largest gathering of parents within the school, which will be our September 15 PTSO General Meeting. If you are interested in being on the ballot, please email Donna Cook at donna.cook@ucps.k12.nc.us by Friday, September 12. In the email, please provide a brief summary of your educational and professional background, reasons that you wish to serve, and potential contributions you could make to the team.

Picture Day for all 9th, 10th, and 11th Grade Students is this Friday, September 12!

Students will report by home-rooms to the auditorium. Extra picture package information can be found in the front office.

September 11 Observance

As a school, we will commemorate the 13th Anniversary of 9-11 through a special Moment of Silence at the beginning of our day as well as raising awareness in our staff and students when significant moments occurred in the timeline of that day in 2001.

Now called Patriot Day now, September 11 has taken on an identity of honoring service to our country and community. We honor those who serve us and those who continue to perform service acts for others.

Upcoming Important Testing Dates:

Wednesday, October 1: The PLAN (pre-ACT) will be given to all 10th grade students on Wednesday, October 1.

Wednesday, October 15: The PSAT (pre-SAT) will be given to all 11th grade students at no charge and any 10th grade students who have completed Math II and pay the \$20 registration fee.

Reminder: Community Read—Summer Reading 2014

As part of our school's mission, our community comes together to discuss a global topic in the fall during an event called Community Read Day. The aim of this program is to empower our students with global knowledge and a respect for diversity that will help them be successful citizens in a changing global community. This year we will be using the following five books to explore Chinese culture. Please select one of the following books to read over the summer.

**** Community Read Day and Activities will take place in October. A final date will be chosen by our administration and site-base team members.**

- 1) *Iron and Silk* by Mark Salzman
- 2) *Asian American Dreams: The Emergence of an American People* by Helen Zia
- 3) *American Born Chinese* by Gene Luen Yang
- 4) *Driven Out: The Forgotten War Against Chinese Americans* by Jean Pfaelzer
- 5) *The Hundred Secret Senses: A Novel* by Amy Tan

Students, what should you do?

- 1) *Select at least one book from the list to explore.*
- 2) *As you read, keep an open mind and consider what you are learning from the book. Practice all the great reading strategies you have learned in school like questioning, summarizing, annotating, predicting, inferring, visualizing, connecting, and evaluating.*
- 3) *Use the website above to learn more.*
- 4) *Be prepared to participate in the Community Read Day events in the fall including class discussions and writing assignments in all of your classes.*

Parents, how can you get involved?

- 1) *Using the list of options, help your child choose a book that you think best meets his or her needs intellectually and emotionally.*
- 2) *Help your child find a copy of the book by purchasing a copy or checking one out from a library.*
- 3) *Feel free to join the community read by reading one or more of the books on the list. You will even have the opportunity to participate in book club discussions with other parents and staff on Community Read Day.*
- 4) *Talk with your child about the book. See the suggestions below.*
- 5) *Encourage your child to pick up other books that interest him or her.*

- If you'd like to help your child practice effective reading skills in alignment with the Common Core Curriculum, consider asking him or her the following questions. Always follow up their answers to any questions with "What makes you think that?" or "How do you know?" Citing evidence that supports their knowledge or arguments is an important life skill.
- Community Read Day in the Fall, and a follow-up activity in the Spring, give parents opportunities to volunteer as well as promote the global perspective and goals of Marvin Ridge. Stay tuned for more information in future newsletters and on our website.

What does it mean to be a Maverick?

The MRHS Student Handbook includes information explaining a set of Academic Core Values. We ask that you please review these as a Maverick family and discuss the significance of these values at home and at school.

CREST, MASCOT AND COLORS

The MRHS Crest symbolizes our ideal for a world-class school. The globe is centrally located to represent our commitment to a global learning approach. Surrounding the globe are representations of each major area of study and athletics.

Our mascot is the Maverick, which symbolizes freedom, spirit, and individuality. Its' legend dates back to the 1800's to a strong white stallion living in freedom in the wild. A Maverick is independent in behavior and thought.

Our Colors are Orange, Royal Blue and White. These colors symbolize the following:

Orange - worthy ambition

Royal Blue - truth and loyalty

White - peace and sincerity

ACADEMIC CORE VALUES

Our Academic Core Values are based on the symbolism of our school colors. They represent what it means to be a Maverick and our honor code in all academic pursuits and discourse.

Worthy Ambition requires Mavericks to set high goals and to work to their greatest potential in all endeavors.

Truth and Loyalty require Mavericks to use honesty in all assignments, tests, projects, and research. This includes avoidance of: plagiarism, collusion, duplication, misconduct, and disclosing or receiving information that gives one an unfair advantage.

Peace and Sincerity require Mavericks to maintain a conducive, safe learning environment for all and to consider alternate viewpoints as well as consequences fully and fairly before making a judgment, statement, or academic decision.
