Parents:

Please be advised that in accordance with mandatory requirements set forth in the Asbestos Hazard Emergency Response Act (AHERA), an asbestos management plan has been prepared for each school in Union County Public Schools, including Piedmont High School.

Federal requirements dictate that the local education agency shall notify, in writing, parents about the availability of each school's management plans. At Piedmont High School, our plan is housed in the front office and may be reviewed upon request. If you have any questions or concerns, please contact the school at (704) 753-2810.

Respectfully,

Jonathan Tyson

Principal
