

10/24/12 Site Base Minutes

Present:

Sandy Sawyer  
Amy Hancock  
Jeff Reynolds  
Gary Anderson  
Brian Cattaneo  
Brenda Jacobson  
Edwin Davis  
Janice Burns  
Kelly Anderson

Academics:

- World Drumming course, level 2, will be offered next year. It is a globalization course.
- School reports are out. We rated 60-80%, which makes us a school of progress. Only three EOCs counted towards this score last year. We showed high growth.

Funding:

- Special project funding letter was read and discussed.
- School has some say on how we use this money, but this money cannot go towards furniture or building improvement. Suggestions for this money are paying for buses for Benchmark tutoring.

Honoring Memories:

- Former graduates of SV (1966) would like to place a bronze plaque in SV to honor the memory of Vernon Talmadge Helms, III. Tal graduated from SV with honors and eventually worked for NASA and specifically worked on the space shuttle. This will be discussed again in the January meeting.

School Report Card:

- The 2013 school report card will be based on five things:
  1. EOC Scores
  2. ACT scores
  3. Algebra II pass rate
  4. Graduation rate
  5. Work keys
- To view the current school report card: <http://www.ncreportcards.org>
- SV is aimed at preparing future ready students

CPR Certification:

- All sophomores have to be CPR certified

Advanced Ed:

- About 50 pages long
- Is finished but needs to be edited
- Will be brought to site base
