

## FAQs for the BBQ

The 72<sup>nd</sup> Unionville BBQ is on Friday, November 5, 2021

BBQ Butts are pre-order only. Each Boston Butt order will include an 8oz BBQ sauce.  
Brunswick Stew is available in bulk only (32 oz container)

Where do I go to order? Order on this website: Order BBQ <https://tinyurl.com/UVESBBQ>

Can one person order multiple butts? Yes- just continue to add to cart until you get the number desired.

Will we have extras for sale the night of the BBQ? No, we have only ordered enough to order pre-sales only. To guarantee that we have one designated for you- order early!

What do I need to pick up my BBQ order? We strongly recommend that you print the receipt from your BBQ order that is emailed to you OR be prepared to show the email on your phone.

What if I need to pick up orders for other people? If you are picking up an order that is under someone else's name, we recommend that the receipt is printed and signed.

What if I order BBQ and I can't get there to pick it up Friday from 12:00-7:00? We will not have a way to store items not picked up. Please make arrangements for a neighbor or a friend to help you out.

If you're sending someone else to pick up your BBQ- we would like to have a signature on the receipt OR when placing the order, you can designate in the "Notes" section that a particular person is picking up an order that is placed under your name. For example: I can go in and order under my name, Jessica Conklin, and I can put a note that says Dr. VonCannon will pick up my BBQ. This system works very well for some of our guests that will not be able to get out that day but family will pick up their order instead.

Where will the pick-up line be? Follow the signs. You will enter off of Unionville-Indian Trail Road, across from the computer store. Pick up time is from 12:00noon- 7:00pm Friday November 5<sup>th</sup>.

Can I drop off a donation at the time of pick up? We will gladly accept donations on the day of BBQ OR feel free to send in with a student marked BBQ Donation. We will not have an online BBQ donation site.

Will there be extra BBQ T-shirts for sale? BBQ shirts will only be ordered for those who placed a t-shirt order by October 15<sup>th</sup>.

What will the cost of each item be? The shortage in restaurant products and supplies has driven up costs in all areas of the industry. For that reason, whole Boston Butts will be sold at \$47. This will feed approximately 8-10 people. Brunswick Stew will be \$13 for a 32 oz container. Please remember, this is not a PTO fundraiser, instead, hosted by the school and the community. All proceeds will benefit the students and their classrooms.

Participation- All classrooms will receive a celebration for their participation in this years' event.
