

# Fall Reading Challenge

We are celebrating the changing of the seasons with a reading challenge for all grades! Fill the bare tree on the attached paper by cutting out and coloring the leaves from the other attached paper by Friday, November 2<sup>nd</sup> and get invited to a cookie party in the media center! Each leaf represents a book read by you. The requirements are as follows:

First Grade: 15-20 leaves (it can be a mix of “just right” chapter books, picture books and nonfiction books)

Second Grade: 4-10 leaves (it can be a mix of “just right” chapter books, picture, and nonfiction books)

Third Grade: 3-6 leaves (“just right” chapter books)

Please make sure that you are reading “just right” books to complete this challenge. Completed trees and reading log (attached) must be returned by Friday, November 2<sup>nd</sup>. Late submissions will not be accepted.
