

Kids have fun, parents see results®

Indian Trail/Weddington/Wesley Chapel
6405 Old Monroe Rd Indian Trail, NC 28079 (Sun Valley Commons)

Position: Code Sensei

Part Time - Up to 25 hours/week | Weekdays & Saturdays

Weekdays: 3pm – 7pm | Saturdays: 10am – 2pm (some evening events)

Who are we?

Code Ninjas is the nation's fastest growing kids coding franchise. In our center, kids ages 5-15 learn to code in a fun, non-intimidating way – by playing and building video games they love. Kids have a blast and can't wait to come back. Parents are thrilled as their children gain confidence and new skills including coding, math, logic, and problem-solving, as they progress from white to black belt. Our core promise is, *Kids have fun, parents see results*. We believe in these words so much that it's written on the walls in our center.

What are we looking for?

We are looking for a **Code Sensei** to join our team of dynamic, energetic, forward thinking minds, working toward our common goal: providing a fun and safe learning environment for children. Our senseis are the lifeblood of our Code Ninjas center. This individual oversees the day-to-day coaching and student engagement. *Are you experienced in working with children? Do you enjoy teaching and building problem solving skills in young engineering minds? Have you mentored youth?* This could be the role for you.

- Work with children to determine skill sets
- Provide feedback to parents after working with student who is on a tour
- Follow opening/closing duties daily
- Clean dojo throughout the day to ensure cleanliness is kept up to corporate standards
- Report weekly to Center Assistant Manager on progress
- Report daily to Center Manager with respect to day's activities and productivity in dojo

Qualifications:

- Working history with children ages 5 and up (mentoring, coaching, tutoring etc.)
- Experience in retail, customer service, volunteering
- Experience in teaching, mentoring or childcare
- Works well with others; collaborates
- Knowledgeable about coding and technology; or able to quickly pick up basic concepts
- Must be fun to work with and like working in fast paced environments

Ideal Candidates:

- High School juniors/seniors/college students
- Preferably in computer science major, digital arts, graphic design, robotics clubs, 3D design
- Love technology, coding and game design
- Love interacting with kids, strong communication skills
