FRESHMAN ADMISSION REQUIREMENTS

UNC SYSTEM SCHOOLS - Updated for 2021-2022

GLOSSARY OF TERMS

App Fee: The cost of the application. Schools will take fee waivers in lieu of payment. See a counselor for more info.

Average Scores: These are the average GPA, SAT, & ACT scores. Keep in mind, this is only an average and some scores may be higher or lower.

Acceptance Rate: This is the percentage of students accepted based on the number of students that applied that year.

Score Reports Codes: These are the codes you will use for each school you intend to send a score report to. The codes will differ for SAT & ACT and each school has a unique code for both tests.

Early Decision: If accepted the acceptance is binding — a student who is accepted as an ED applicant must attend the college. The student must rescind all other college applications once they accept the offer of admission. Students can only apply ED to ONE college.

Early Action: Plans are non-binding — students receive an early response to their application but do not have to commit to the college until the normal reply date of May 1. Students can apply to as many EA schools as you wish.

Regular Decision: When the student applies to the regular admissions cycle.

Rolling Admissions: There is no admission deadline, the student can apply at any time.

Common App: The Common Application (Common App) is a non-profit membership organization representing nearly 900 diverse institutions of higher education. Students create an account on the Common App website and use that application to apply to participating colleges.

The Coalition Application: The Coalition for College is a diverse group of more than 150 distinguished colleges and universities across the U.S. that is committed to making college a reality for all high school students through its set of free, online college planning tools that helps them learn about, prepare for, and apply to college. Students create an account on the Coalition for College website and use that application to apply to participating colleges.

University Scholarships: Scholarships that are funded by the university. There are also departmental scholarships and non-university scholarships available.

Weighted GPA (W)/Unweighted GPA (UW): Some schools report on the Grade Point Average (GPA) as weighted or unweighted. North Carolina high schools operate on a 4.0 scale for unweighted, and a 5.0 scale for weighted.
