

Enhancing and Empowering our local communities.

Union Power Cooperative invests in teachers, students, families, and their futures through powerful partnerships and programs that support our mission to enhance the quality of life of our members and the communities we serve. This principle is woven deeply into our various programs.

COLLEGE SCHOLARSHIPS

The Union Power College Scholarship is available each year from September through March to current high school seniors planning to attend a North Carolina-accredited college or university. The scholarship is a one-time offer of \$1,000. The senior must be a child of a Union Power Cooperative member or live in a home served by Union Power Cooperative.

In 1994, North Carolina's electric cooperatives dedicated their interest in improving education. The Bright Ideas grant program has expanded over the past two decades, encouraging teachers to share their bright ideas that will be meaningful and engage students to further their education. Teachers from our service area can apply for up to \$2,000 per grant from April through September.

NC

Youth Tour provides an opportunity for high school juniors to have an unforgettable, all-expense paid trip to Washington, D.C. Students will learn about the history of the nation's capital and better understand how American history has shaped the U.S. today. It also allows students to take on leadership roles and learn their value as a citizen.
