Student Name: _____

Dear PRHS Parent,

You have agreed to allow your senior to participate in the UCPS Flex Day Program. This allows your senior to leave early or arrive late to PRHS. The purpose of this program is to give your senior the opportunity to increase his/her employment hours, have extra time to study because he/she is employed, or if they require more time at their internship.

No athlete should use Flex Day until a counselor reviews their schedule to ensure they are eligible for athletics. Once the counselor checks the student's transcript for eligibility for the Flex Day Program the student will be notified.

Students are **NOT ALLOWED** to be on campus during their flex time. Students have to provide their own transportation to and from school.

Please indicate when you prefer to flex.

☐ I understand that a student who is participating in the Flex Day Program may not remain on campus during their scheduled flex period(s). I also understand that a student must have his/her own transportation to participate in the Flex Day Program.
