Union County Public School Guidelines

> Online learning is not the best type of instruction for all students. Please note that online instruction is not an "easy way out" to avoid harder classes or extra work. Online classes follow the same syllabus as traditional classroom courses.

> > Students must have regular access to the inter-net and a computer which meets the UC Virtual and/or North Carolina Virtual Public School system requirements

> Courses offered face to face at PRHS <u>will not</u> be offered online through NCVPS.

> Students may enroll in a maximum of two classes per semester or four year-long classes.

> Students who enroll in Advanced Placement classes will be expected to take the AP exam.

> Courses taken and the final grade earned will be calculated in the student's grade point average and class rank and will appear on the final transcript. It will be calculated in GPA and class rank.

> There is a 5-day drop period in which students may drop a class without penalty. After the drop date, the course and grade will appear on the student's transcript which may affect the students GPA and class rank.

Parent/Student Commitment Agreement

We understand the responsibility and the commitment required of an online course. We agree to abide by the procedures, deadlines and grades set forth by the Union County Public Schools, the N.C.
