North Carolina Virtual Public School/Union County Virtual Public School
Porter Ridge High School
Virtual Course Parent Permission Form

Union County Public School Guidelines

- To complete the coursework required through NCVPS and UCVirtual, students must have regular access to the internet and a computer which meets the NCVPS and UCVirtual system guidelines.
- Advanced Placement courses are year-long courses. Students who enroll in Advanced Placement courses will be expected to take the AP exam at the conclusion of the course.
- NCVPS runs on a different academic calendar than Union County Public Schools, therefore, progress reports for NCVPS will be handed out bi-weekly and **only the final grade** will be reported on the final report card for the semester.
- UCVirtual has the same academic calendar as the face-to-face classes so progress reports and report card grades will be distributed and reported at the same time as the face-to-face classes.
- Virtual courses taken and the final grade earned for such course will be calculated into the student's grade point average and class rank, and will appear on the final transcript.
- There is a 5 day drop period in which students may drop a class without penalty. After the drop date, the course and grade will appear on the student's transcript.

We understand the responsibility and commitment required of an online course. We agree to abide by the procedures, deadlines and grades set forth by Union County Public Schools, NC Virtual Public School, UCVirtual Public School and the online instructor. We understand that a class may be dropped within the first 5 days (or by the date established by the NC Virtual Public School) without penalty. After 5 days, the course and grade will appear on the transcript which may affect my GPA and class rank.

I give permission for my child to enroll in an online class for the 2024-2025 school year. Please provide a parent email address, they are required for enrollment and communication.
