

Sending SAT/ACT Score Reports

SAT

Most colleges require you to send official score reports directly from the College Board — they do not accept copies of online score reports or score report labels on transcripts. You can request to send score reports to colleges before or after test day.

Sending Scores Before Test Day

- **You get 4 free score reports to send colleges every time you register for the SAT!**
- Go to www.collegeboard.org
- After you register for the SAT, go to your SAT dashboard and choose “Send SAT Scores”
- You will be able to search for different colleges and choose them to receive your scores
- Your SAT scores will be delivered to the colleges about 3-4 weeks after you take the test

Sending Scores After Test Day

- **You can still send your 4 free score reports up to 9 days after the test!**
- Go to www.collegeboard.org
- After you take the SAT, go to your SAT dashboard and choose “Send SAT Scores”
- You will be able to search for different colleges and choose them to receive your scores
- Your SAT scores will be delivered to the colleges about 3-4 weeks after you take the test

****IF YOU DO NOT USE YOUR 4 FREE SCORE REPORTS, IT IS \$12 PER COLLEGE TO SEND YOUR SAT SCORES!****

(That’s about \$50 to send your SAT scores to 4 colleges so **USE YOUR FREE SCORE REPORTS!**)
