We have heard from many of you! Thank you for that!

Our teachers have remarked that the engagement in the educational materials and activities is positive, so I say continue that good work, and if you need help there please let your teacher or anyone at school know what you need. We are only an email away!

## UPDATES FOR UCEC AND UCPS

Please click on the title above to access the UCPS webpage dedicated to updates and resources available to you during this COVID-19 school closure.

# MEALS OFFERED - CHANGE NOTICE

UCPS continues to offer meals at the FOUR locations throughout the county. Any UCPS student can go to any of the four locations to receive a meal. The change is that while meal stations are now closed on Saturday and Sunday, on Fridays, two meals will be served so that you may have one for Saturday as well.

FOR THIS WEEK ONLY, the meals are served Monday through Thursday and on Thursday, two meals are served when you go through the line. This is because Friday is an observed holiday on the UCPS calendar. Please make sure to visit one of the meal stations!

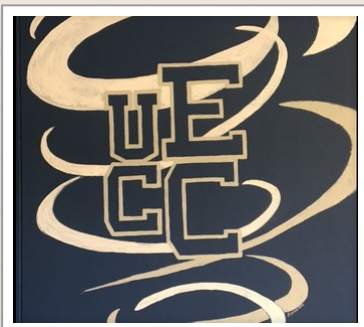

## PROM REFUNDS

If a student purchased a ticket or tickets for the April 4th UCEC Prom, the refund checks have been mailed to each student's home. Mrs. Roldan has sent a check to the home of each student who was receipted a prom ticket(s) purchase. It is the student responsibility to reimburse another student if they paid together to get the "couple" price. (NOTE: We can only write a refund check to the receipted person.)

## SPCC OFFERING MANY SHORT-TERM ONLINE CLASSES TO PARENTS AND COMMUNITY

Please see the link below for a listing of the many online learning opportunities provided by SPCC during this time. Some include "crash" courses for parents in academic support areas for their children learning at home; some include continuing learning courses that have tremendous applicability throughout many areas of life. We hope you find something you can find valuable in these great offerings! NOTE: There is a small fee for some courses as is noted on the webpage linked below.
