Administrative Updates

- Ms. Amy in the cafeteria wants us to mention that unless someone objects, she's going to put in a work order for the cafeteria to be painted over the summer because paint is peeling in a lot of areas. This would cover up the mural as well. Chinnis made a motion to paint. Jones second. Majority vote 7:3.
- We will also have the new cafeteria trap installed this year.

- Class reward/end of year - Please invite at least 2 people per student to your event. Each grade level needs to come up with a letter to the next year's students about standards, what to expect, and how to prepare. Each staff member will write a personal note/letter to their small cub connect group member to send home at the end of the year. This is in Lieu of curriculum night.
- Belmont will also collect letters to mail over the summer.

Hill Media and Technology Committee Update:

- The BOGO book fair will be May 17-19

Jones Updates and Questions

- There will be an academics team meeting on Wednesday, 4/27 from 2:30-3:30 in the planning room. Please mark your calendar if you are on that LIM team. We will look at a LETRS rubric to rate our school and how we are implementing SOR. We will use that data to pull our focus for next year.

Nance LIM Notebooks

- All grade levels have a plan or are already working on it!
- Make sure your kids know their goal and focus on their own growth and how that impacts the class, grade level, and school!
- We met our March goal! March teacher reward is recess coverage on Wednesday! Yay!
