Governor Cooper announced today, April 24, that all North Carolina schools will remain closed through the end of the school year. While our buildings will remain closed, instruction in Union County Public Schools will continue through remote learning until the last day of school. June 9 is the last day for schools on the traditional calendar.

Click here to view the email from the Department of Public Instruction about the school closure.

We know that this decision will bring about many questions about end-of-year processes and activities, including high school graduations, summer camps and other programs. Please be assured that our students and staff are at the forefront of decisions as we navigate through this virtual environment.

More information will be released in the future to inform you about how we will close out the school year and recognize our 2020 graduates.

The UCPS meal sites will continue at the four locations and at this time, there is no change to the Monday-Friday schedule.

We want to thank all teachers, parents, students, staff and Board of Education members for all of their support, cooperation and patience. This transition has been challenging, but we are working together and making progress in an unprecedented time.

Please continue to adhere to guidelines from local and state health officials and stay safe.
