Administrative Updates

- Student Lighthouse Team just finished POAG presentations. Next semester the students will come up with another project like that. They are also working on a way to nominate teachers for the shout out boards.
- Peer Walkthroughs (reminders and links in the weekly newsletter + feedback form)
- Our NCSTAR goal is tied to our Math goal, and we exceeded our goal for November at 46%. Students get two pajama days this week and teachers had hot chocolate bar. We have school-wide goals and rewards, but classes and grade levels need incentives as well for meeting their goals, especially individually!
- K-2 will transition back to the Cafeteria in the spring. We will talk more in January!

Hill

Media and Technology Committee Update:

- Check the email she sent on 12/13
- If you show a movie in your class that is not a DVD, check the terms of use for how many people can view at one time!

Nance

LIM Notebooks

- Goal for all grade levels to track something or have a plan by Christmas break! All grade levels have a plan or are already working on it!

Curriculum Nights 2021-2022

- Next one on January 13th will be conducted VIRTUALLY.
- Students will record a GRADE LEVEL video sharing about their grade level's WIGs and progress.

- Separate tasks by class (introduce the WIG, share the data, and talk about lead measures -- weekly or daily). You can designate representatives from each class or talk about it as a whole group.
- Let upper grade teachers know if you need help.
- Use any format you are comfortable with to record the video.
- Send your grade level video to Hill by **January 7th!**
