Related Arts	Misty Tarlton
	Melody Florentino
Parents	Melinda Plue
	Eliza Cranfill

What	Who	How Long
<p>Approve Minutes from January- Meeting began at 4:08 due to copy needs - Minutes approved- Mrs. Cranfill wanted her name removed from an area of the agenda.</p> <ul style="list-style-type: none"> Announcement of receipt of \$5000 grant from Smucker Food Services “Get Out and Grow” BFC to coordinate with partners. Wants and needs from Jan. meeting- Support for BT/ILTs seems to be a priority. Reps were asked to return to their Houses and discuss dedicating all 2016-17 PD fund to “First 3” program through UNCC. <p>Lifting of the 3 year window on transfers is not in our power. That is an HR policy.</p> <p>Computer and technology complaints have been addressed with Tony Burriss. Changes will be forthcoming. House leaders need to contact Dr. Radke and discuss office hour needs.</p> <p>PD will be differentiated after the Poverty Study is completed this year.</p> <p>We are considering changes to the schedule and PE every day. These must be cleared by Central prior to being voted on by staff.</p> <p>iReady is roughly \$30 per student (\$27,000). We are willing to pay that- BUT- we will need to decide as a school where we will “tighten our belts”. We use a LOT of paper- and make a LOT of copies...</p> <p>Photocopiers are being addressed- PLEASE be sure you know what you are doing- call the office for assistance and don’t leave a machine “messed up”! Call someone.</p> <ul style="list-style-type: none"> PLC Reports <p>Thanks to all who submitted. This was an expectation. If you did not submit, be prepared to explain why. An email will follow with scanned results and comments involved. 8th grade math and 7th grade ELA- kudos on your information. We will speak directly with PLCs about how these should look for March.</p> <ul style="list-style-type: none"> Goals <p>Our goal this semester is to move the school from “D” to “C” this year- and to (dramatically) “decrease” our negative growth score from -2.75.</p> <p>We will work on a PR plan for staff, students and community to help make that happen. (Strategic and focused Eagle Time and iReady with fidelity are a great way to start.)</p>	Radke	5 minutes
Meeting called at 5:06
