

# Prospect Elementary

## Sitebase Meeting Agenda

Oct 18, 2021

**Welcome**

**Designate Recorder to take minutes - Carter**

Chinnis

**Out Teach-** Alicia and Ms. Chinnis met with the committee and the outdoor classroom has been built and donations are being requested. The purpose is to use the area for all content built around the outdoors.

**ESSER Funds-** Funds given for loss of learning. Originally for tutoring, but the county has picked up that and now those funds are all going to be used for after school tutoring. We are working on “Do The Math”.

**Tier II Support-** Offered to students out on quarantine. Headed by Ms. Fowler so please let her know if any students are quarantined so that she can let the parent know who is covering those days.

**Curriculum Night Recording - Oct. 21st-** Due today and make sure that they are given to Ms. Hill -- check with your team to make sure they are done. Will be sent home on the 21st.

**Calendar feedback-** For next year, prioritizing, the email is sent out to site based team members and the feedback will be sent to Central Services.

Sitebased will now be the MTAC team. All book orders for the library from Ms. Hill now has to go through the MTAC team before they can be ordered per the county. The current order is for books lost during COVID and the NC Children’s Book Award. The team looked at the list of books from the NC Children’s Book Award as well as the COVID list. Some of the books from the COVID list were no longer in print and Ms. Hill replaced them with

**comparable books. No questions and motion to approve by Ms. Piddock and Seconded by Ms. Jones.**

**\*Cub Block, Cub Connection, Cub Time- survey being compiled.**

**Dates: 11/12, 1/19, 3/22, 5/6**

Kids to be paired up with an adult- such as an advocate- may be like a club if you would like to do an activity or it may just be a time to talk and have some 1:1 time or small group when they have time just to connect with you.

The time of day will be from 1:00-1:30

**NCSTAR- Kukor back tomorrow, Lighthouse team met and updated the rubric.**

**Teams will be asked to give feedback on dates.**

- Lighthouse Team met and updated goals

**LIM Updates - Working on a schoolwide wig. SLHT working to the Portrait of a graduate.**

They are finished and preparing to share in homerooms. They are also working on a format for teacher shout outs from students. Make sure that a grade level goal is posted outside of the classroom in the hallway.

- Schoolwide WIG and Academics Team
- Student Lighthouse Team
  - Portrait of a Graduate, Teacher Shout Outs
- Monday LIM Call In

Nothing posted per grade level the schoolwide tracking goal will be what is posted, possibly outside of the library/cafeteria area.
