Principal	Dr. Kim Fisenne <i>absent</i>

**New Business:**

**Approval of Meeting Minutes - 9/26/18:** The team reviewed ,voted on, and approved the meeting minutes from 9/26/2018.

**2018-2019 Teacher of the Year:** Ms. Grello was introduced as Teacher of the Year.

**Pirate Logo Feedback:** Ms. Robinson asked why we are changing the logo at this time. Administration is wanting to know, if the school wants to change the logo. They are going to get feedback from Site Based first. Student Representatives like the old logo, PR with sword. We are to vote via the survey.

**Counseling Program Update and Feedback:** Ms. Davison and Ms. Burgess provided Site Based with a program update. Ms. Burgess said that they are referred to as “school counselors”, and not “guidance counselors”. They support and maximize each student’s ability to learn, such as schedules, curriculum options, pathways to post-secondary options and college classes/academy classes. They help students develop career, social and

emotional developments. Ms. Burgess has proposed the idea of having a school counseling program at PRHS, such as an Advisory Council. The proposal would be for the council of parents and teachers to meet twice a year (or more), to aid school counseling plans, community connections and to give insights into student, family and community. Ferron asked us to vote on the proposal. The Site Based approved the Advisory Council program.

**Next Meeting:** Wednesday, November 28th

Minutes Approved on: November 28, 2108
