Dear Parent/Guardian:

Your participation in your child’s education is important to us. Because of this, we have developed a parent engagement policy. This policy explains how we plan to collaborate with parents to review and improve parent programs. We value your involvement and urge you to take the time to read this policy.

Federal law requires us to distribute our parent engagement policy to parents. Please sign the form below and return it to your child’s classroom teacher so that we can be sure you received this important information.

Sincerely,
Dr. Cynthia Hogston
Director of Academically and Intellectually Gifted and Federal Programs

I have received the parent engagement policy described in this letter.
