Elementary Chromebook Parent Notification

Union County Public Schools is excited to continue the 1:1 Access Model using the Lenovo Thinkpad Chromebook. It is the desire of Union County Public Schools to provide students with a great learning opportunity. The 1:1 Access Model is designed to increase global awareness, promote innovation, and encourage student success. As students attend classes this school year, teachers will be designing technology rich lessons that will implement 21st Century Skills into their curriculum.

Student/Parent Responsibility

- Students are to use the Chromebook for school use only
Downloading personal items and applications (i.e. Pictures of your family, music, home videos, etc.) to UCPS computers is considered inappropriate
Students are to use the computer to enhance learning

Parent Resources for Staying Safe Online
