

## March 18 Site Based Minutes

### School Improvement Plan

- Mrs. Deaton reviewed with the group about our School Improvement plan. Each member was given a copy of the school improvement plan to look over.
- Mrs. Deaton shared what our five goals were as a school. She then shared how we have completed these goals so far and what we still need to complete.
- Career Day was discussed as per one of the goals. The group was notified that Career Day has been planned for May 3. So far 3-5th grade students will participate in the event. Students will complete various activities throughout the week leading up to the presentations on May 3.
- Kindergarten through Second grade had shared they would like to participate in Career Day this year. The employees coordinating the event will meet to discuss adding K-2 to Career Day.

### Awards Day-

- Awards day will be chosen once Mrs. Deaton hears back from East Union Middle School about when their eighth grade graduation ceremony is. Parents had asked last year that we try to plan Awards Day on a separate day so that they may attend both.
