

## Student Parking Regulations 2019-2020

**Payment for hangtag is online only!**

### General:

Students driving vehicles to school must park them in the student parking lot. **Students are not to park their cars in any space unassigned to them.** Once students get on campus, they are to LOCK THEIR CARS because we are not responsible for stolen items. Students driving vehicles to school do so at their own risk. The school is not responsible for damage or other loss to vehicles parked on campus.

Parking permits remain the property of the school throughout the year. Issuance of a permit indicates agreement to all terms contained hereon. Revocation of parking privileges or withdrawal from Parkwood High School will result in surrender of the permit. *In Addition, first semester (January) graduates must turn in permits upon completion of their graduation requirements. Cannot be passed on to other students.*
