

Good evening Piedmont families. This is Principal Dylan Stamey with several important updates and reminders.

A new page has been added to the Piedmont website that provides students with several options for obtaining technical support for their Chromebooks, including how to request a Wi-Fi hotspot. Go to Quick Links on the Piedmont website and click on “Computer Support for Students” to access contact information and links if you need Chromebook support: [Piedmont Tech Support Page](#).

UCPS is offering a High School Programs Expo to learn more about our CTE pathways offered through the Career Readiness Department. To learn more about this opportunity and to register for the event, please follow this direct link: [UCPS High School CTE Program Expo](#).

As a reminder, all students that are registered for Plan B are expected to attend school on their assigned face-to-face days. Only students that completed the Scribbles application process in the fall are approved for Plan D- Virtual Academy. Students that are absent on their face to face days will receive a 2A, unexcused absence designation in PowerSchool. Students that have been instructed by our school nurse to quarantine will be NOT be counted absent as long as your student continues to work from home. Your student may bring in medical/parent notes for consideration upon returning to school. On scheduled remote learning days, students will continued to be marked present as long as they log-in daily and complete their assignments.

We continue to ask our families for support in not sending students to school if they are experiencing any Covid-19 symptoms. We also ask that you keep students at home if anyone in the home is currently displaying Covid-19 symptoms or is waiting on pending Covid-19 test results. If your student stays at home, please send in a note upon returning to school. If you have any questions about sending your student to school, please call Piedmont High at 704-296-3170.

As always, thank you for your support of Piedmont High School. Have a great weekend!
