

A message from PIEDMONT HIGH

Good evening Piedmont families-

Below you will find a few reminders for the upcoming week.

TARDIES TO 1st BLOCK- Parents, while we made improvements last week, we continue to see a lot of students showing up late for the beginning of school. Our students are expected to be in class at 8:30. Our car rider traffic has improved since the beginning of school. Please discuss with your student driver the importance of being on time to school. We have given disciplinary consequences to several students based on our tardy policy. If your student is late to school due to bus transportation, your student will not be counted tardy and will receive no disciplinary consequences.

YOUTH NIGHT @ FRIDAY'S FOOTBALL GAME- On Friday night, Piedmont High will host a Youth Night for our feeder school students. Elementary and Middle School students will get in free with a paying adult ticket. The students will be recognized at halftime. Parents, we do ask that all students be supervised throughout the game. NO FOOTBALLS will be allowed in the stadium.

STUDENT NEWS AND WEEKLY CALENDAR- As a reminder, Piedmont High continues to publish a weekly document with all campus activities and Student News. Our link can be found under the "Quicklinks" section of our school webpage.

As always, if you have any questions or concerns, please contact Piedmont High at 704-296-3170. Thank you and have a great evening.
