Committee Reports

Parent Involvement Committee

- The team decided to work on the Parent Involvement Packets beginning now and over the summer. Packets will be created including math manipulatives, games and workbooks. A QR code will accompany the packets providing a link to videos by Sardis staff that will explain how to use the materials in the packets.
- Committee members will complete a “shift” of putting packets together as part of the next two committee meetings.

Virtual Committee

- The committee recommends picking up their work at the beginning of next year in order to better accommodate schedules.
- The team is considering offering individual time slots during the workdays since the needs of the staff are varied.

Academics and Behavior MTSS Committee

- The group discussed transitioning Tier 2 student from the end of the year to the beginning.
- A discussion focused on how to get services to students who need them in a timely manner.
- “Pawsome” 20 ticket behavior counts were shared.
- The school store will coincide with End of Year Celebrations
- The end of the year iReady window is 5/3 to 5/28.

General Discussion

- Title 1 Representative – Mrs. Maness: There will be no changes to the parent compact.
