

Site Base Minutes February 7, 2024

Members Present:: Kelly Frycz, Todd Swackhamer, Josephine Maness, Lynn Presson, Breanne Villas, Jean Greenwalt, Tany Crisco, Stacey Larson, Chrissy Bloom, Lee Hutchinson, Allison Siler, Danelle Segers, Ali Geisinger, Jen Cooper

- Code of Conduct - Staff needs to review the code of Student Conduct board doc. The document discusses switching from punitive measures to restorative practices. Personnel and staff need to make sure their conduct is mature and respectful keeping in mind kindness and grace. Teachers need to make sure to be prepared for the instructional day, be cognizant of how they are speaking to students in the hallway and fill each other's buckets.
- Budget- Sardis did not receive as much title 1 money as last year, but we do have funds from parent involvement which could possibly be used to create scholastic book bags for kids. Since the focus was on math last year, a literacy approach will be the focus this year. The town of Indian Trail was so gracious donating funds to Sardis this year that we need to plan a thank you event. Our fundraiser money went to rebranding the school. The cafeteria and the gym will be the next areas to receive updates. There are small amounts of money that the teams may use to purchase tools such as Storyworks . Look for ways to decrease the amount of paper being used, copies being made.
- State TWC survey- The survey has changed as there will only be 98 questions this year. The survey will be given every other year and staff will receive an email on March 1 to remind them of the survey. E-mails will continue until the survey is complete. Principals and AP's do not take the survey.
- Early Release Day Feb. 16 - There will be professional development with lunch provided that afternoon.
- 2nd Run Bus Concerns - Staff bring walkies to duty. Kids can come outside weather permitting. Maness, Crisco and Villas will start duty in the gym to help with crowd control and noise levels.
- Career Fair- April Early Release - Career Fair is Friday April 26. Looking for people willing to come in to talk about their jobs.
- Cafeteria Food Options: Our cafeteria manager has been out but will discuss how to handle running out of certain foods.
- PowerSchool Changes- The new site will be called Infinite Campus. Powerschool and Infinite Campus will run simultaneously until 2025. Infinite Campus will operate solely beginning the 2025-2026 school year. Training starts this year for the champions to deliver this info to the staff.
