

- Welcome
- Introduction of new members:
 - Monica Griffin
 - Kimberly Austin
- Club Presentation
 - Financial Freedom Club presented Ashu Lala

Club Sponsor: Brian Pitoniak

Debt is a major problem, students need to learn from an early age to avoid this

Plan for how to prepare and earn good credit, save, and plan for retirement, stock market understanding, cryptocurrency education- 3 Tier goal system for education

Plan for service to community: education, handouts, free education for students

Would there be a disclaimer- educational purposes only? Simulation trading (APPS- Stocks to trade, Marketsim)- no money has to actually be invested. ·
Calendar for SBMT Meeting Dates

Hope to meet every other Wednesday- plus virtual access to information.

Vote was approved for this club!

Future meeting dates:

- **November 1st, Dec 6th, No January Meeting, February 7th, March 7th, April 4th, May 2nd**

- Parent Survey Data Review

32 statements in parent survey

How many people participated in the survey? (Ms. Belle Walker)

Positives: Safe at school, welcome at school

Need to grow areas- opportunities for parent volunteers, participate in school decisions, no PTO here, availability of principal (with improved overall communication very well may be improved)

Bullying- we need to brainstorm to figure out what to do about the issue.
Consequences? Conversations?

- Parent Communication

Currently: weekly Connect Ed, social media platforms, Canvas, student news with weekly activity calendar (and links)

Senior year info needs to be better broadcast (let's look at what other schools are doing).
Suggestion: include links on ConnectEd (for one-stop shopping); Summer packet for seniors with all of the important dates?

- Parking Pass discussion

10th grade students were able to drive last year. However, this year is more traditional and we have reverted back to Juniors and Seniors only. Currently we have 10th graders on a waiting list. Could we have a policy written to have spots available for sophomores when available?

Vote: Create a team to formulate a plan for allowing underclassmen to have spots available- **Vote passes to formulate a team to make this happen**

- Post-secondary planning

What is being done with the underclassman to prepare for post secondary plans?

Guidance sends emails to students about visiting colleges and virtual visits.

Students must sign up for these through SCOIR

How is SCOIR being used? Guidance is working with students on this-resumes, sign-ups

Guidance is visiting all grade levels to provide information for graduation requirements and post secondary opportunities.

10th grade English classes are focusing on career exploration and research. Using Major Clarity for exploration.

- Open Forum- nothing for the group

In attendance: Belle Walker, Monica Griffin, Vanessa Baucom, Kimberly Austin, Christie Scruggs, Major Richardson, Kasey Brooks, Sarah Mitchell, Joyce Nash, Steven Kelly, Patrick Ledford, Lerlean Cotton, Amy Hartig, Julie Plyler, Dan Edwards
