Recovery/Remediation

Recovery and remediation began today.

This is for tutoring and/or to recover time for missed school days.

Biology- Mondays and Wednesdays

All other subject areas- Tuesdays and Thursdays

Time: 3:30-4:30

Dates for recovery are on the announcements and the Piedmont website.

This time will not be allowed to be used in order to make up time with the goal of exempting an exam.

Teachers should update students daily about where and when/where recovery will be,

Rising 9th grade tour day

Monday, April 11 during school hours

Stations will be available for students: clubs, athletics, social media platform connections, and academic classes will be available for questions and demonstrations.

Cluster EC Field Day- fresh off the press!

The district is not offering Special Olympics this year.

Friday, April 29, will be the EC field day here on campus.

Clubs and student groups will get to participate in this.
