 - Copied from UCPS Program of Studies 2024-2025:

Exam Exemptions

High School students will not be required to take a teacher-made final exam in a course in the following situations:

- Student has an average of 90 or above the week prior to the administration of the exam

Teacher made tests are defined as tests designed and graded by a UCPS teacher of record for the purpose of assigning an exam grade to a student. Exam exemptions only apply to teacher made tests and are not available in courses which require the administration of an End of Course or state mandated final exams. Students enrolled in AP courses will still be required to take the AP exam. Students are expected to take all other assessments given at the school.
